Subject: **Doral Promotions**

Due to the growth and potential of the Box styles, beginning with the June B2G1F, the Doral B.B.U. would like to include the F.F. and Lts. K.S. Box styles. These two styles would represent 50% of your Region's allocation, as we will continue to utilize four brand styles in these promotions.

I would appreciate you letting me know on or before 12/20/96 if you have any issues/problems with including these Box styles.
